Dear Colleague(s),

The Board of World ParaVolley are currently conducting a survey seeking names of individuals, and/or organisations, within Sitting Volleyball who have made a significant contribution to the sport during the last 40 years. The appointed Working Party are particularly interested to hear of anyone who has worked in any role who has gone above and beyond the basic duties required, and has had an impact on the development of our sport, particularly those who have served :-

- a) in excess of ten years
- b) in excess of fifteen years

If you have knowledge of, and wish to put forward anyone, could you please send their contact details, a brief paragraph on the nominated person (including length of service) and a passport type photograph to Denis Le Breuilly by Monday 17th February at the latest. If nominating more than one person please clearly state your order of preference.

Your immediate attention would be appreciated.

A handwritten signature in black ink that reads "D. Le Breuilly".
