

REGULATIONS

PARAVOLLEY EUROPE

TOURNAMENT & GAMES REGISTRATION FORM

- All Tournaments & Games should be recorded by ParaVolley Europe and can be split into two lists:
 - The first list details all registered event which are not official ParaVolley Europe events
 - The second list details the Official ParaVolley Europe events – these events should always be approved by ParaVolley Europe
- The registration is absolutely free of charge.

REGISTRATION

- Any event can be registered
- Through registration, your event could be promoted and you can invite the teams (do attach the invitation document if exist...)
- The organiser has to use current ParaVolley Europe rules but can add local exceptions (classification, number of abled bodies, number of players, etc.)
- Each event which includes teams from more that one nation organised in a ParaVolley Europe region must be registered and included on the registration list on PVE website
- ParaVolley Europe will forward the registration to World ParaVolley if teams from nations outside Europe take part or are invited to take part.
- ParaVolley Europe Officials (Referees, Classifiers, etc.) may participate in all registered events if it is required by the organiser

The aim is to have a full list of ParaVolley events happening in the disciplines of sitting, standing, sitting beach and standing beach volleyball in order to provide better support and increase the development of these disciplines.

The document for registration can be found on: www.paravolley.eu

APPROVAL

- The only events which require approval from ParaVolley Europe are the official PVE events
- These events are:
 - Zonal Championships
 - Sub-zonal Championships
 - Continental Challenge
 - Zonal Clubs
 -

If you are not sure which event requires approval or if you wish to obtain approval for one of your event, please contact the PVE Sports Department – mail@paravolley.eu
